

CURRICULUM VITAE

NAME : Prof. Bambang. Prijambodo drs(med), MD, DR(Sci),FICS, FCSRS.
SEX : Male
PROFESSION : Orthopaedic and Traumatology and Spine Surgeon
HOME ADDRESS : Manyar Sambongan 58 Surabaya
Telp. (62-031) 5018836
OFFICE ADDRESS : Dept. of Orthopaedi & Traumatology Faculty of Medicine Airlangga
University/Dr. Soetomo Teaching Hospital
Jl. Mayjend. Prof. Dr. Moestopo 6-8
Surabaya 60286
Telp. (031) 5501481
Fax (031) 5020406
E-MAIL : bprijambodo@yahoo.com

EDUCATION

1968 - 1975 : School of Medicine, Airlangga University, Surabaya-Indonesia
1975 - 1978 : Residence of Department of Surgery School of Medicine, Airlangga University -
Dr. Soetomo Teaching Hospital, Surabaya-Indonesia
1979 : Chief Residence Department of Surgery, Airlangga University-Dr. Soetomo
Teaching Hospital, Surabaya-Indonesia
1980 : General Surgeon, School of Medicine Airlangga University, Surabaya-Indonesia
1982 : Spinal Surgeon, Prof. Rene Louis (1981-1982), Service Traumatology and
Spinal Surgery Marseille-France
1983 : Orthopaedic Surgeon Indonesia University, Jakarta-Indonesia
1984 : Post Grade Training Professor R. Roy Camille , Paris France
1993 : Doctor of Science Airlangga University(1991-1993).CLUMLAUDE.

POSITION

1983 : Senior Staff Department of Surgery School of Medicine, Airlangga University,
Surabaya-Indonesia
1983 : Senior Staff Orthopaedic Section, Department of Surgery School of Medicine,
Airlangga University, Surabaya-Indonesia
1983 - 1991 : Member of Committee Undergraduate Education, Department of Surgery School
of Medicine, Airlangga University, Surabaya-Indonesia
1998 up to now : Chief of Spinal Subsection Orthopaedic Section Department of Surgery

- School of Medicine, Airlangga University-Dr. Soetomo Teaching Hospital, Surabaya-Indonesia
- 1988 - 1991 : Member and Secretary Committee of Post Graduate Education, Department of Surgery School of Medicine, Airlangga University
- 1990 up to now : Chairman of Spinal Team School of Medicine Airlangga University - Dr. Soetomo Teaching Hospital, Surabaya-Indonesia
- 1991 up to now : Member of Research Committee, Department of Surgery School of Medicine, Airlangga University - Dr. Soetomo Teaching Hospital, Surabaya-Indonesia.
- 1983 up to now : Consultant Orthopaedic and Spinal Surgery :
 1. St. Vincentius/ Catholic Hospital, Surabaya-Indonesia
 2. Husada Utama Hospital Specialist, Surabaya
- 1994 : - Secretary and Member, Committee of Ethical Academic, School of Medicine Airlangga University
 - Member of National Board Examination Indonesia Orthopaedic Association
 - Founder of Association Study for Internal Fixation (AO) East Asia
 - Instructor AO International, Davos-Switzerland
 - Education Committee of Association Study for Internal Fixation (AO) East Asia
- 1995 : Member of National Board Examination Indonesia Orthopaedic Association, Jakarta
- 1996 : - Chairman of Orthopaedic Training Programme, School of Medicine Airlangga University(1996-2003)
 - Special Staff of Deputy IV (International Affair) Rector Airlangga University
- 1998 up to now : - PROFESSOR of Orthopaedic and Traumatology, Faculty of Medicine AIRLANGGA UNIVERSITY
- 1998-2002 - Vice Dean of Academic Affair, School of Medicine Airlangga University
- 1999 : Chairman of Indonesian Orthopaedic Collegiums (1999-2002)
- 2003 - 2008 : Directure Medical Education, Research and Staff Development Fac.Med. Airlangga University.
- 2004 -2006 ExCo/Steering committee of AOEA (Asc Study of Internal Fixation East Asia)
- 2004-2006 Vice President of APAPHS (Asia Pacific Asc on PBL in Health Sciences)
- 2004 -2008 International Advisor of Asia Pacific Medical Education Conference 6th
- 2006-2008 President of Asia Pacific Asc on PBL in Health Sciences
- 2008 International Advisory of Kmeer Study

MEMBERSHIP, CONTRIBUTION AND EDITORS

1. Member of the Indonesian Medical Association.
2. Member of Indonesian Surgeon's Association.
3. Member of the Indonesian Orthopaedic Association.
4. Member of ASEAN Orthopaedic Association.
5. International College of Surgeon Post Secretary General of I.C.S. Indonesian Section.
6. Member of the Society Francaise de Chirurgie Orthopaedic et Traumatology.
7. Member of Cervical Spine Research Society (European Section)
8. Member of Western Pacific Orthopaedic Association.
9. Member of Western Pacific Orthopaedic, Spinal Section.
10. Member of Japan Spine Research Society.
11. Contributor Textbook Cervical Spine II, Editor : R. Louis, A. Weiden, Springer Verlag, Wiena, New York, 1989.
12. Contributor : Textbook Standard Diagnosis & Treatment.
13. Contributor : Textbook of Surgery
14. Contributor : Textbook of Surgery, Inpress
15. Member of Societe Francaise Chirurgie Orthopaedique et Traumatology, Membres Titulaires.
16. Member of AO Alumni Association.

17. Educational Committee of AO (Association Study for Internal Fixation) East Asia
18. Chairman Faculty, Instructor of Basic AO Course, Organized AO East Asia, Surabaya-Indonesia, August 1995.
19. Chairman Faculty, Instructor of ORP Course, Organized AO East Asia, Surabaya-Indonesia, August 1995.
20. Founding Member of Association Study for Internal Fixation, East Asia.
21. Chairman Faculty, Instructor ORP Course and Symposium of Musculoskeletal Trauma, Surabaya, July, 1996.
22. Contributor : The Role of Research in Orthopaedic Training Program, Editor : Azis Nather, Title Book : Research Methodology in Orthopaedics and Reconstructive Surgery, World Scientific Publishing Co.Pte.Ltd, Feb 2001.
23. Editor : Asian Medical Educator
24. Member and Vice President of Asia Pacific Asc. On PBL in Health Sciences.
25. Member and Steering Committee of AOEA (Asc Study of Internal Fixation East Asia).
26. President of Asia Pacific Asc On PBL in Health Sciences (APAPHS).
27. Founder and Member of The Cervical Spine Research Society Asia Pacific Section (CSRSAP 2010)
28. Editor and Contributor . Buku Ajar Orthopaedi , 2015

INTERNATIONAL COURSE

- 1979 - Singapore : Post Graduate Course in Orthopaedic, Dr. Graham Appley
- 1983 - Singapore : Spinal Course, Prof. Bob Winter, Dr. Eduard Luque, Prof. John Leong
- 1985 - Davos : Basic Course, Association of the Study of Internal Fixation Switzerland A.S.I.F./AO Course, Switzerland
- 1986 - Davos : Advance Course, Association of the Study of Internal Fixation, A.S.I.F./AO Course, Switzerland
- 1987 - Chiba, : Operative Spinal Course, Prof. Inoue, Department of Orthopaedic Surgery Chiba
Tokusima : University, Prof. Ikata, Japan
Department of Orthopaedic Surgery Tokusima University, Japan
- 1987 - Singapore : Symposium of Spinal Trauma, Prof. Louis, Prof. Weller
- 1988 - Davos : Spinal Course, Association of the Study of Internal Fixation (A.S.I.F.)/AO Course Switzerland
- 1992 - London : International Study of Cervical and Lumbar Instrumentation Royal Society of Medicine
- 1994 - Singapore : Spinal Course, Association of the Study of Internal Fixation, AO International
- 1994 - Davos : Course, Teaching for the Teacher, AO International
- 1995 - Hongkong : Course, teaching for the Teacher, AO International
- 1997 - Davos : Spinal AO Course, 7-14 December 1997
- 1998 - Fukoka : Western Pacific Orthopaedic Association
- 2003 Davos : ASIF/AO Master Course and AO Guest.
- 2004 Davos : ASIF/AO Master Spine Course
- 2006 Davos : ASIF/AO Master Spine Course
- 2008 Davos : AO Spine Master Course.
- 2008 Davos : AO Cervical Spine Arthroplasty Workshop.
- 2012 Davos : AO Advance Course Lumbar Spine Trauma and Deformity

INTERNATIONAL MEETING

- 1979 : International College of Surgeon, Asia Pacific Federation Meeting, Denpasar-Bali
- 1980 : South Asia Meeting, Jakarta
- 1986 : Combined Meeting Indonesian Orthopaedic Association and ASEAN Orthopaedic Association

- 1988 : 2nd Joint Meeting Cervical Spine Research Society Meeting, American-European Section, Marseille-France.
- 1989 : - 6th Annual Meeting of the Cervical Spine Research Society European Section, St. Gallen-Switzerland.
 - Society Francaise de Chirurgie Orthopaedi et Traumatology (So F.C.O.T.), Paris-France
 - Joint Meeting :
 a) Western Pacific Orthopaedic Association
 b) ASEAN Orthopaedic Association
 c) Singapore Orthopaedic Association
- 1990 : Cervical Spine Research Society 7th Annual Meeting, Taormina-Italy.
- 1991 : Japan Spine Research Society Meeting, Asahikawa, Hokkaido-Japan.
- 1992 : - 3rd Joint Meeting Cervical Spine Research Society European and American Section Athena-Greece.
 - International Study of Cervical and Lumbar Instrumentation Royal Society of Medicine, London-UK.
 - Western Pacific Orthopaedic Association Meeting.
 - ASEAN Orthopaedic Association Meeting
- 1993 : - 1st European Orthopaedic Society Meeting, Paris-France (Specially day)
 - Japan Spine Research Society Meeting, Toyama-Japan.
- 1994 : - AO International Course for Teacher, Davos.
 - Seminar of Basic Science, Institute of Research, Davos.
 - Joint Meeting, American-European Section of Cervical Spine Research Society, Roma-Italy.
 - The North American Spine Society, Wayne State University, Lahaina, Maui, Hawaii-USA.
- 1995 : - Japan Spine Research Society Meeting, Tokyo-Japan.
 - Joint Meeting American Orthopaedic Association and AOA Greenbrier, West Virginia-USA.
 - AO Alumni Meeting, Hongkong.
 - Annual Meeting of AO East Asia, Hongkong.
 - Two days Forum Fracture. Hongkong, AO International.
- 1996 : - Annual Meeting Malaysian Orthopaedic Association, Kuala Lumpur Malaysia.
 - Japan Orthopaedic Association, Tokyo, Japan.
 - Cervical Spine Research Society, Nice France.
 - Japan Spine Research Society Nagoya Japan
 - AO basic Course, 9-12 September 1996, Kuala Lumpur-Malaysia
- 2000 : - 29th Annual Meeting of the Japan Spine Research Society, 8-9 June, Nagoya, Japan
 - 8th Conference on Tissue Banking Asia Pacific Association of Surgical Tissue Bank, 22-24 Oct 2000, Bali, Indonesia
- 2001 : - 30th Annual Meeting of the Japan Spine Research Society, 7-8 June, Kochi-Japan
 - Combined Meeting the Indonesian Orthopaedic Association and 21st ASEAN Orthopaedic Association, 10-14 October, Bali, Indonesia
 - 2nd Asia Pacific Conference on Problem Based Learning in Health Sciences, 30-31 October, Faculty of Medicine, University of Malaya
- 2002 : - 16th Asean Orthopaedic Association Travelling Fellowship, 29 July-4 August, Kuala Lumpur and Bangkok
 - Triennial AO Alumni Association (AOAA) Symposium, 6-13 Sept, Davos, Switzerland
 - 50 years of Orthopaedic in Singapore, conjunction with 5th combined meeting of spinal & paediatric section APOA, 11-16 October 2002, Singapore
 - 3rd Asia-Pacific Conference on Problem Based Learning (PBL) in Health Sciences, 31 October – 3 November 2002, Taiwan as participant/speaker and moderator.
- 2003 : Global Standards in Medical Education for Better Health Care, World Federation of Medical Education Conference , Copenhagen- Denmark 15-19 March 2003.

- Japan Spine Research Society, 4-6 April Fukuoka City 2003 as Speaker.
 Asia Pacific Medical Education Conference 1st, Singapore, invited speaker
- 2004 Annual Congress 77th Japanese Orthopaedic Association May 20th-23th Kobe Japan as invited speaker.
 Spine Week 2004 Porto Portugal May 30th-5th June 2004 as poster presenter
 Asia Pacific Association on PBL in Health Sciences 4th Manila 20th-24th September, Philippina as invited speaker.
 2nd Asia Pacific Medical Education Conferences Singapore as invited speaker.
- 2005 The Japan Spine Research Society/Spine 2005 10-11 June , Sendai , Japan as speaker
 AO ORP with AO tehniqe , Fac Med Airlangga University Surabaya , May 3 – 5 Spine Meeting, Pedicle Club , Surabaya 15 – 17 July as speaker
 Advance Course ASIF , 3-5 August Denpasar Bali Indonesia as speaker.
 GM for EXC AO East Asia, Kyoto 30Sept-2 Octobre 2005
- 2006 6th Asia Pacific Conference on Problem Based Learning Tokyo 25 –27 May
 AO Principle of Fracture Management Course, Makassar 10 – 12 July 2006
 ORP Basic course , Solo 15-16 July
 AOEA Executive Meeting Shanghai.
- 2007 Japan Spine Research Soc Meeting , Kanazawa , Japan .April 2007.
 AO Advances Course , ORP Basic Course , Surabaya August 18-23 , 2007.
 Regional Workshop AO Foundation , Hongkong November 2007.
 AO/Master Spine Course Davos/Swiss December 2007.
- 2008 Centre of Khmeer Study, Seam Reap, Cambodia Jan 2008.
 Japan Spine Research Society, April 2008 Tokyo.
 AO Spine Seminar , Jakarta March 2008.
 Cervical Spine Research Society in Spine Week, Geneva, May 2008.
 Asia Pacific APAPHS , 6th Conference Kualalumpur , Oct 2008.
 Master Spine Course AO, Davos Switzerland, December 2008
- 2009 Japanese Society For Spine Surgery and Related Research, April 2009 Kobe.
 Cervical Spine Research Society European Section, Uppsala , Sweden June 2009.
- 2010 Japanese Society For Spine Surgery and Related Research, Kochi April 2010.
 Cervical Spine Research Society Asia Pacific Section 1st, Kobe April Japan.
- 2011 Indonesian Spine Society 10th Annual meeting , 3rd International Society of Minimal Intervention in Spinal Surgery , 5-7 Juli , Bandung, Indonesia.
- 2012 Japanese Society For Spine Surgery and Related Research, Kurume, Fukuoka, April
 2012 Cervical Spine Research Society Asia Pacific Section , Hakata , Fukuoka, Japan April
 2012 Tokushima Spine Conference , Annual Meeting , 12th August Tokushima , Japan.
- 2013 42th Annual meeting of Japanese Society for Spinal Surgery and Related Research , 25-27 April . Okinawa, Japan.
 29th Annual meeting of Cervical Spine Research Society Meeting , 30-31 May, Bordeaux, France.
 Spine Week Japan, Join Meeting Japanese Scoliosis Research Society and Japanese Spine Instrumentation Society , October Kochi, Japan.
 Continuing Orthopaedic Education , May 2013, Bali, Indonesia.
- 2014 43rd Japanese Society For Spinal Surgery and Related Research , Kyoto 25-27 April , Japan.
 International College of Surgeon World Congress, 20-23 October, Bali, Indonesia.
- 2015 2nd July Takamatsu Japan, Japanese Society for Study of Bone and Joint Infection.
- 2015 May 27th Prague , Checo , EFFORT, European Federation For Orthopaedie And Traumatology .
- 2015 November 5th Nigata , Spine Week Japan ,JSIS , Japanese Scoliosis Research Society Niigata, Japan

AO ACTIVITIES

- 1985 : Basic Course AO Davos-Switzerland
1986 : Advance Course AO Davos-Switzerland
1987 : - Table Instructor AO Course, Semarang-Indonesia
- Chairman Prof. S. Weller.
1988 : Spinal Course, Davos-Switzerland
1994 : - Spinal Course AO, Singapore
- Founder AO East Asia
- Educational Committee of AO East Asia
- Teaching for Teacher, D. Pitts AO Course, Davos-Switzerland.
- Symposium Basic Science, Institute Reserach of Davos, Davos-Switzerland.
- Table Instructor Basic Course of AO, Davos-Switzerland.
- Member of AO Alumni.
1995 : - AO East Asia Meeting, Bangkok-Thailand.
- Chairman of Organizing Committee, Faculty AO Basic Course and ORP Course, July 1996, Surabaya-Indonesia (Prof. R. Marti and Prof. C. Van der Werken).
- Annual of AO East Asia, Hongkong.
- AO Alumni Meeting, Two Days Forum Fracture, Hongkong
- Teaching for Teacher , D.Pitts, Hongkong
1996 : - Chairman and Faculty AO Symposium of Musculoskeletal Trauma, ORP Course, July 3-7, 1996, Surabaya-Indonesia.
- Faculty AO Basic Course, 10-12 September 1996, Kuala Lumpur-Malaysia.
- The 3rd Combined Meeting of Spinal & Paediatric Section of WPOA, 5-8 November 1996, Kochi.
2002 : - Triennial AO Alumni Association (AOAA) Symposium, 6-13 Sept, Davos, Switzerland
2003 ASIF/AO Master Course, AO Guest , Davos. Switzerland.
2004 AO/ASIF Spine Master Course, Davos Switzerland
2005 ORP with AO Tehnique 3-5 May Surabaya.
Advance Course AO , 3-6 August 2005 , Denpasar Bali Indonesia.
2006 AO Principle Fracture Management Course , 10-12 July , Makassar, Indonesia
ORP Basic Course , 15-16 July , Solo, Indonesia
AGM Shanghai , Cina 2-5 November .
Master Spine Course , Davos , Swizerland , 10-15 December.
2007 AO Advances Course/ORP Basic course ,Surabaya August 18-23 August.
AO Foundation Regional workshop, Hongkong November 2007.
AO Master Spine Course , Davos/Switzerland December 2007.
2008 AO Spine Seminar , AO Spine Asia Pacific, Jakarta, March 2008.
AO Master Spine Course, Davos , Switzerland December 2008.
AO Cervical Spine Arthroplasty Cadaver Workshop, Davos, Switzerland December 2008.
20`2 AO Advances Courses, July 2012 Jakarta , Faculty Members .
2012 AO Spine Seminar 6 Octobre , Surabaya 2012, Faculty Members
2012 AO Spine Advance Course. Lumbar Deformity and Trauma, Davos , Switzerland
December 2012

INTERNATIONAL LECTURES AND PAPERS

- 1979 : International College and Surgeon, Asia Pacific Federation Meeting, Denpasar-Bali,
Intramedullary Nailing for Tibial Shaft Fracture
1981 : - Association Surgeon of South Asia (A.S.A) Meeting, Jakarta-Indonesia, Neglected Trauma
- A.S.A. Meeting, Jakarta-Indonesia, Traumatic Spondylolesthesis of Lumbosacral Spine with Complete Slip

- 1986 : - Continuing Orthopaedic Education XXIV, Other Speaker : Dr.H. Crook (Australia), Prof. A.Yauw and Prof. John Leong (Hongkong), Lecture, Ischemic Reconstruction
 - Joint Meeting ASEAN and Indonesian Orthopaedic Association Meeting, Jakarta-Indonesia, Management of the Thoraco Lumbar Fracture
 - Post Graduate Course Indonesia-Dutch Section, Cervical Spine Injury
- 1988 : - 2nd Joint Meeting Cervical Spine Research Society America-European Section, Marseille-France, Management of the Cervical Spine Injury of 75 Cases
- 1989 : - 6th Cervical Spine Research Society Meeting, St. Gallen-Switzerland, Review of 99 Cases of Cervical Spine Injury
 - Spine Course Indonesia-Japan, Malang :
 a) Lecture Management Cervical Spine Injury (Dr. Fujiya)
 b) Management of Thoraco Lumbar Fracture (Dr. Fujiya)
 c) Shortening procedure of the Spine (Dr. Fujiya)
 - Western Pacific Orthopaedic Association Meeting, Singapore, Cervical Injury Review of 99 Cases
 - Symposium Radiology Indonesia-German, Airlangga University, Surabaya, Lecture, Radiology Diagnostic of the Spine Trauma
- 1990 : Orthopaedic Course, Indonesia University and Gatot Subroto Hospital, Jakarta (Prof. Graham Appley and Prof. Louis Solomon), Lecture, Expansive Lamino Plasty for the Cervical Canal Stenosis
- 1990 : 7th Cervical Spine Research Society Meeting, Taormina-Italy :
 a) Surgical Management of Tuberculosis of the Cervical Spine
 b) Odontoid Fracture and Atlanto Axial Dislocation caused by Barber/Masseur
 c) 123 Cases of the Cervical Spine Injury, Case Control Study Between Operative and Conservative Group on Cervical Spine Injury with Neurologic Deficit
- 1991 : Japan Spine Research Society Meeting, Asahikawa Hokkaido-Japan, Lecture, Surgery of the Upper Cervical Spine
- 1992 : - CSRS 3rd Joint Meeting American-European Section, Athena-Greece.
 a) Cervical Spine Injury Clinical Analysis on 176 Cases.
 b) Surgery of Upper Cervical Spine (review of 33 cases)
 - 10th Western Pacific Orthopaedic Association, 10th ASEAN Orthopaedic Association.
 - 8th Indonesian Orthopaedic Association, Meeting in Jakarta-Indonesia.
 - Research Paper :
 a) Accuracy of Pedicle Screw Placement for Dorsal and Lumbar Spine Injury
 b) Instrumentation of Dorsolumbar Spine Injuries with Semi Rigid Approach (Randomised Clinical Trial)
 c) Surgery on the Cervical Spine Tuberculosis
 - Symposium on Spine Instrumentation, 100 Surgically Treated of the Cervical Spine Injuries
- 1993 : - 1st European Orthopaedic Section Meeting, Paris-France (Specially day)
 - Semi Rigid Segmental Spinal Instrumentation with Kunstcher Nail to Stabilize Traumatic Injuries of Thoracal and Lumbar Spinal (Randomised Clinical Trial)
- 1994 : - Indication and Technique and Result of 107 Surgically Treated Cervical Spine Injury.
 - CSRS Joint Meeting, Roma-Italy, Surgery of Upper Cervical Spine (Clinical Analysis of 37 cases)
 - North America Spine Society, Maui, Hawaii-USA, 100 Surgically Treated of the Cervical Spine Injuries
- 1995 : - JSRS, Tokyo-Japan, Indication and Technique and Result of 107 Surgically Treated Cervical Spine Injury
 - Basic AO Course, AO East Asia, Surabaya-Indonesia, Type of Screw and Lag Screw Principle
 - OR Course AO East Asia, Surabaya-Indonesia, Bone Healing
 - OR Course, AO East Asia, Surabaya-Indonesia, Type of Screw and Lag Screw Principle

- AO East Asia Meeting, Hongkong, Evaluation of Basic Course
- 1996 : - Malaysian Orthopaedic Association Meeting, Genting Highland (invited guest speaker), Surgery of the Upper Cervical Spine
- Malaysian Orthopaedic Association, Semi Rigid Segmental Spinal Instrumentation of Thoraco Lumbar Fracture
- Cervical Spine Research Society, Nice-France, Surgery of Cervical Spine Tuberculosis
- Japan Spine Research Society, Trans oral Decompression for Malformation of the Upper Cervical Spine Tuberculosis and Myeloma of the Upper Cervical Spine
- The International Conference on Spinal Surgery, the Annual Meeting of the Association of Spinal Surgery, R.O.C, Taipei-Taiwan (invited guest speaker), Semi Rigid Segmental Spinal Instrumentation for Stabilization of the Thoraco Lumbar Injury
- Invited guest speaker, Bio psychosocial Concept for Treating Cervical Spine Injury (Clinical Analysis on 289 cases of Cervical Spine Injury)
- AO Symposium and Musculoskeletal Trauma, ORP Course, AO East Asia, Surabaya, 3-7 July 1996 :
 - a) Bone Healing
 - b) Design and Function of Large Screw 4,5 mm and Cancelous Bone Screw 6,5 mm
 - c) Lag Screw Principles
 - d) Tension Band Wiring Principles and Instrument
 - e) The rational for Operative Treatment
 - f) Type of Screw and Lag Screw Principles
 - g) Tension Band Principle
- 1996 : - AO Basic Course, 9-12 September 1996, Kuala Lumpur-Malaysia
 - a) Fracture on Humerous
 - b) Bridging Plate (Biologic Osteosynthesis)
 - c) Ankle Fracture
- The 3rd Combined Meeting of Spinal and Paediatric Section of WPOA, Kochi, 5-8 November 1996 :
 - a) Radiologic Study of Thoracolumbar Spine Injury After Treated by Semi Rigid Segmental Spine Instrumentation using Kuntcher Nail (Randomised Clinical Trial)
 - b) Clinical Analysis on 289 Cases of Cervical Spine Injury
 - c) Surgery of the Cervical Spine Tuberculosis
- 1999 : Annual Meeting of Japan Spine Research Society, Fukuoka-Japan
 - a) Accuracy of Pedicle Screw Placement on the Cervical Spine Experimental Study on Cervical Spine Human Cadaver
 - b) Biomechanics Analysis of Semi Rigid Segmental Spine Instrumentation using Kuntcher Nail Compared C Configuration and U Configuration
- 2000 : 29th Annual Meeting of Japan Spine Research Society, Nagoya-Japan :
 - a) Circumferential Arthodesis and Instrumentation of the Dorsolumbar Spine Tuberculosis
 - b) Less Invasive Surgery for the Metastatic or Primary Bone Tumour of Spine by Ultrasound Dissectors - Report of 7 Cases
 - c) Biomechanic Analysis of Semirigid Segmental Spine Instrumentation Using Kuntcher Nail Compared C Configuration and U Configuration
 - d) Accuracy of Pedicle Screw Placement on the Cervical Spine (Experimental Study on the Cervical Spine Human Cadaver)
 - e) Surgery of the Cervical Spine Tuberculosis
- 2001 : 30th Annual Meeting of the Japan Spine Research Society, 7-8 June, Kochi-Japan : Semirigid Segmental Spinal Instrumentation Using Dynamic Compression Plate (DCP) for Dorsolumbar Fracture (Clinical Analysis).

- 2002 : 16th Asean Orthopaedic Association Senior Travelling Fellowship, 29 July-4 August
a) Innovation stabilization of the spinal trauma and deformity, does it works?
b) Circumferential arthrodesis and instrumentation of the dorsolumbar spine tuberculosis
50 years of Orthopaedic in Singapore, conjunction with 5th combined meeting of spinal & paediatric section APOA, 11-16 October 2002, Singapore : Innovation Stabilization on the Spinal Trauma and Deformity, does it works?
3rd Asia-Pacific Conference on Problem Based Learning (PBL) in Health Sciences, 31 October – 3 November 2002, Taiwan :
a. Medical student as simulated patient
b. Student perception about tutor directiveness and guiding skills
- 2003 : Asia Pacific Medical Education Conference, Singapore 3-5 Dec 2003, invited speaker,
Innovation in Medical Education at Fac Med Airlangga University, Surabaya
Japanese Spine Research Society Fukuoka June
Innovation Stabilization in Spinal Trauma and Deformity, Does It work?
- 2004 : 77th Japanese Orthopaedic Association Conferences 20th-23th May Kobe, Japan :
Comprehensive Management of The Cervical Spine Injuries (20th experiences).
Spine Week 30thMay- 5th June Porto, Portugal poster presentation :
Comprehensive Management of The Cervical Spine Injuries (20th experiences).
4th Asia Pacific Association on PBL in Health Sciences 20th-24th Manila Philippina
Asia Pacific PBL in Health Sciences Indonesia/Surabaya Experiences on Symposium of PBL..
2nd Asia Pacific Medical Education Conferences Singapore 10th-11th December 2004,
Clinical Performances Assessment (CPA as National Standard Assessment on Indonesian Orthopaedic Board Examination.
- 2005 : ORP Course with AO Tehnique 3-5 May 2005, The Lag Screw Principle, Tension Band Wiring.
The Japan Spine Research Society, 10-11 June 2005 Sendai Japan,
Recent Advanve of Diagnoses Tuberculosis of The spine.
The Spine Meeting Surabaya 15-17 July, Management of Low Back Pain, The Past, Present and Future.
- 2006 : School Leaver PBL in Asia Pacific Region, 6th Asia Pacific Conference on PBL, Tokyo 25-27 May (Panelist and Moderator).
- 2007 : Kanazawa , 36th Japanese Society for Spine Surgery and Research Society , Problem of Diagnosis of Spine TB and Circumferential Arthrodesis of The Spine TB. April 2007, Kanazawa. Japan.
AO Advances Course Surabaya : Cervical Spine Trauma.
ORP Basic Course : Evolution of AO Principle and Philosophy 1958-2007, Principle of Absolute Stability, Principle of Articular Fracture.
- 2008 : Higher Education in South East Asia: Global Challenges for Intellectual Capital Building, CKS (Centre for Khmer Studies), Seam Reap, Cambodia, January 10-11, 2008.
38th Japanese Society for Spine Surgery and Research Society, Tokyo April 2008,
Lumbal Canal Stenosis, Surgical Management 25 Years Experiences (Clinical Analysis).
AO Spine Seminar Asia Pacific Region, Jakarta March 2008. Management of The Cervical Spine Injuries.
- 2009: Japanese Society For Spine Surgery and Related Research April 2009. Comprehensive Management of The Cervical Spine Injury and Cervical Cord Injury without Spinal Collumn Fracture (25 years experiences).
Spondylitis Tuberculosis with Cold Abscess, Surgery or Conservative ?.
Cervical Spine Research Society European Section 25th, Uppsala, Sweden. Surgery of The Cervical Spine Tuberculosis . Finalist of MARIO BONI AWARD. June 2009.

- 2010 Japanese Society For Spine Surgery and Related Research 39th, Kochi April 2010. Surgical Management of The Occipito-Cervical, Cervico-Thoracic, Dorso-Lumbar and Lumbo Sacral Junction of Spinal Tuberculosis. Comparison Stabilization of Dorsal, Dorso lumbar and Lumbar Spine Injury using Short Segment USS/Clix X and Long Segment Instrumentation using Narrow DCP (Clinical Analysis). Ossification of The Posterior Longitudinal Ligament of The Thoracal Spine Treated by Modified Hirabayashi Technique Laminoplasty. 1st Cervical Spine Research Society Asia Pacific Section , Kobe April 2010. Surgery of The Cervical Spine Tuberculosis , Problem of Diagnosis and Pitfall Of The Instrumentation.
- 2012 Japanese Society For Spinal Surgery and Related Research, Kurume, Japan April 2012. Innovation Stabilization for TB of Spine (29 Years Experiences). Innovation Stabilization for Spinal Injury (29 Years Experiences)
- 2012 Cervical Spine Research Society Asia Pacific Section, Hakata, Japan April 2012. Comprehensive Management of The Lower Cervical Spine Injury.
- 2012 Annual Meeting Tokushima Spine Conference, 12 August 2012 , Tokushima , Japan. Surgical Management of The Spinal Trauma, Tuberculosis and Degenerative of The Spine, 29 years Experiences.
- 2012 3rd International Society of Minimal Intervention in Spinal Surgery and The 10th Annual Meeting of Indonesian Spine Society , Bandung , Juli 5-7th , 2012. Thoraco Lumbar Spine Injury , Indication and Surgical Management
- 2012 42th Annual Meeting JSSR ,25-27 April Okinawa, Japan. Surgical Management of the Cervical Spondylosis (29 years experiences). Poster
29th Annual Meeting of CSRS European Section , 30-31 May, Bordeaux, France. Surgical Management of The Cervical Sponylosis . Poster
Spine Week Japan . Join Meeting Japanese Scoliosis Research Society and Japanese Spine Instrumentation Society , 23-25 October 2013 , Kochi , Japan. Problem of Spinal Instrumentation for Aging People In Indonesia (Symphosium)
Innovation Stabilization in Dorso Lumbar Spine Trauma (Lecture).
- 2013 43rd Japanese Society For Spinal Surgery and Related Research , 25-27 April 2014, Kyoto. Japan. Innovation . Spine Tuberculosis, Problem of Diagnosis and Virulency of Mycobacterium Tuberculosis.
World Congres of International College of Surgeon. 20-23 October 2014 , Bali. Indonesia. The Problem of Spinal Instrumentation for Aging People in Indonesia.
- 2014 27th May , Prague , EFFORT , European Federation for Orthopaedie and Taumatology
- 2015 2nd July , Takamatsu, Japan. Japanese Society for Study of Bone and Joint Infection. Surgical Management of TBC Junction, Occipito Cervical, Cervico Thoracic, Thoracolumbal and Lumbo Sacral Junction, 30 Years Experiences (Problem of Diagnostic and Virulency of TB Spondylitis).

ORIGINAL PAPERS :

- 1979 : Operative Treatment for Chronic Osteomyelitis of Long Bone (Clinical Trial)
Intramedullary Nailing of the Lower Limb Fracture with Kuntcher Nail.
- 1983 : Stabilization of the Thoraco Lumbar Fracture.
- 1988 : Early Stabilization of the Cervical Spine Injury (Quasi Experimental)
- 1990 : Segmental Spine Instrumentation with Kuntcher Nail for Stabilization of the Dorsolumbar Injury (Descriptive Analysis on 107 Cases)
- 1992 : Accuracy of Pedicle Screw Placement for Dorsal and Lumbar Spine Injury.
